 That is why I am personally asking you to please cast your vote for these very impressive candidates:
Rhonda Humby and Randy Hoke!
 We'll ALL benefit from their election!
 Thank you for allowing me the honor of being your Supervisor and for your careful consideration of these much-needed candidates.
Kevin Johnson
 Sweden Town Supervisor

I've had the chance to get to know Randy & Rhonda. They are two of the most honest, hardworking, dedicated people I've ever met. They've already spent a lot of time learning all they can about our town, the role of Town Board Members, and the different town departments, like mine.
 I know I can count on them to take the time & effort to be outstanding Board Members.
 Your vote is so very important and needed to make the difference. That's why I'm asking you to join me in voting for Randy Hoke & Rhonda Humby for the Sweden Town Board!
 Thanks for supporting me over the years.
