

Sweden Judge Tony Perry earns your vote

Dear Sweden Residents,

When I left Sweden's bench in 2017, Tony was elected that fall to replace me. I could not have asked for a more honorable, committed, compassionate person to fill that seat.

Tony's more than 20-year career in law enforcement gives him a strong background in law; his integrity and sense of justice results in wise and impartial rulings.

Tony loves this community. He gives back in many ways. **In 2020, Tony donated part of his judge's salary to two Sweden-based organizations.** He always does what is right and appropriate. Please join me in voting for Judge Tony Perry for a second term.

Supervisor Kevin Johnson

On **November 2** (early voting starts October 23), please vote for:
